Anglo American Internship Programme 2024/2025 For Supply Chain

Description

Anglo American is currently inviting applications for its Supply Chain Internship and P1/P2 programs, designed to equip unemployed graduates with valuable work experience. This 12-month internship program offers individuals practical learning opportunities within a professional setting, enhancing their skills and knowledge in supply chain management.

The Anglo American Supply Chain Internship is a comprehensive program based in Thabazimbi, aimed at developing skills and providing hands-on experience in procurement, logistics, and supply chain management. This opportunity is ideal for recent graduates or students who need practical work experience to complete their qualifications.

Responsibilities

As a Supply Chain Intern, participants will be involved in various aspects of supply chain management, which may include:

- Assisting with procurement and logistics processes.
- Supporting supply chain operations to enhance efficiency.
- Conducting data analysis to identify trends and improve supply chain performance.
- Engaging with cross-functional teams to facilitate smooth operations.
- Utilizing Microsoft Office tools for documentation and reporting purposes.

Qualifications

Applicants must meet the following criteria:

- Currently studying towards a Diploma or Degree in Supply Chain, Procurement, or Logistics Management **OR** must have already graduated with an Honours Degree in Supply Chain, Procurement, or Logistics Management.
- Proficiency in Microsoft Office is advantageous.
- For P1/P2 program applicants, provide.
- An academic record or transcripts.
- An official letter from the institution indicating the need for practical work experience in their studies.

Job Benefits

The Supply Chain Internship offers:

- Practical work experience in a leading multinational company.
- Mentorship and networking opportunities.
- Development of industry-specific skills in supply chain management.
- Exposure to real-world business challenges and solutions.
- A structured, supportive environment that fosters professional growth.
