Anova Health Institute Internship 2026/2027 Youth Employment Services (YES) Programme

Description

The Anova Health Institute is actively seeking participants for its Youth Employment Services (YES) Internship Opportunities for the years 2024 and 2025. This initiative is part of a broader effort to mitigate youth unemployment and foster a sustainable future. The program offers a one-year, work-based experiential learning opportunity designed to provide unemployed youth with practical and substantive work experiences. Successful applicants will be assigned to administrative roles at the discretion of Anova's management.

The YES programme aims to furnish young individuals with valuable work experience, thereby enhancing their employability and skillset. It targets unemployed youth, graduates, and scholars aged 18 to 34 years, facilitating their entry into the workforce through structured job placements and training.

Responsibilities

Participants in the program will engage in various administrative tasks, requiring the application of learned skills and competencies. They are expected to communicate effectively in English, both verbally and in writing, demonstrate proficiency in computer applications, and provide exemplary customer service. Additionally, participants must exhibit strong organizational capabilities and attention to detail, while working collaboratively under pressure to meet deadlines.

Qualifications

To be eligible for the programme, candidates must meet the following criteria:

- Possession of a Grade 12 certificate as a minimum qualification.
- Additional tertiary qualifications are advantageous.
- Must be unemployed and aged between 18 and 34 years.
- South African citizenship with a valid South African ID is required.
- Applicants should not be registered for other experiential learning programmes during the YES programme.
- Previous completion of a YES programme disqualifies an applicant.
- Notably, individuals with disabilities must submit a medical certificate verifying the nature of their disability.

Job Benefits

The programme offers participants a platform to gain essential work experience, hone their skills, and improve their future employment prospects. It is an opportunity for young individuals to engage in meaningful work and receive mentorship and guidance from experienced professionals within the Anova Health Institute.

How To Apply?

Interested candidates who meet the above qualifications are invited to submit their applications. Details regarding the application process and deadlines will be provided by the Anova Health Institute. It is imperative for applicants to ensure their submissions are complete and adhere to the specified guidelines to be considered for this enriching opportunity.
