EnviroServ Internship 2026/2027 For Motivated graduates

Description

EnviroServ is pleased to announce limited internship opportunities for highly motivated, analytical, and goal-oriented graduates seeking practical business experience. This initiative is designed to support the professional development of young individuals while enhancing their skills in a dynamic environment.

The internship program at EnviroServ aims to provide valuable exposure to various business functions, allowing interns to apply their academic knowledge in real-world settings. Interns will engage in a range of tasks that contribute to the organization's objectives while fostering personal and professional growth.

This program is tailored for youth aged between 18 and 35 years, offering an opportunity to gain hands-on experience in a leading environmental services company. Interns will work alongside experienced professionals and participate in meaningful projects that align with their academic backgrounds.

Responsibilities

Interns will be expected to:

- Support daily operations within their designated departments.
- Assist in the preparation of reports and presentations.
- Collaborate with team members on various projects and initiatives.
- Engage in training and development activities to enhance their skills.
- Conduct research and analysis relevant to their specific fields.

Qualifications

Possess a three-year tertiary qualification in one of the following fields:

- Industrial Psychology
- BBA in Business Administration
- B.Com in Accounting
- Environmental Science
- B.Com in Human Resources
- Operations Management
- B.Sc in Chemistry
- Chemical Engineering
- Be between 18 and 35 years of age.
- National Diploma in Analytical Chemistry
- B.Com in Logistics
- Journalism
- Computer Science
- SHEQ (Health and Safety)

Job Benefits

Interns will benefit from:

- Practical experience in a reputable environmental services company.
