## EPPF Internships 2026/2027 Graduate Programme For Finance

### Description

The 2025 EPPF Internship in Finance, located in Bryanston, presents a pivotal opportunity for recent graduates to embark on their professional journey within a distinguished organization. This internship is designed to provide participants with practical experience in a dynamic and impactful environment.

The EPPF Internship Program offers exposure across multiple disciplines, with a particular focus on the administration and investment management of retirement funds. The EPPF is committed to delivering comprehensive retirement fund administration and investment management services, ensuring that its members, comprising in-service members, deferred pensioners, pensioners, and beneficiaries, receive secure and well-managed retirement benefits.

### Responsibilities

Interns will engage in a range of activities, including managing personal and contribution records, processing claims, safeguarding funds, and ensuring compliance with legal standards. Additionally, they will participate in asset allocation, the formulation of investment strategies, risk management, and the promotion of socially responsible investment practices.

### Qualifications

Candidates must possess a recent degree in one of the following fields: Economics, Finance, or Taxation. This requirement ensures that participants have the foundational knowledge necessary to contribute effectively to the organization's objectives.

### Job Benefits

Interns will gain substantive experience in their chosen field of study, working alongside industry-leading professionals. They will have the opportunity to contribute to the financial security of EPPF members and develop skills essential for their future careers. By participating in meaningful projects, interns will make a significant impact on the lives of thousands of South Africans.

### How To Apply?

Prospective candidates are encouraged to apply promptly to seize this career-defining opportunity. The closing date for applications is 13 September 2026. Applicants should prepare to submit all required documentation and demonstrate their readiness to contribute to the EPPF's mission.
