Free State Department of Education Internship Program 2024/2025 For Students

Description

The Free State Department of Education (FSDOE) invites applications from unemployed graduates for its 24-month Graduate Internship Programme for the 2024/2025 cycle. This program is designed to provide participants with substantial work experience and skill development, preparing them for the formal job market. Applicants must be at least 18 years old at the start of the contract and should complete the program before turning 35. Successful candidates will be positioned within the Districts and Head Office as stipulated in the advertisement.

This internship offers on-the-job training in various specified qualification categories. It aims to equip graduates with essential skills and competencies, ensuring their readiness for future employment opportunities. The program spans 24 months, allowing interns to gain practical experience in their chosen fields.

Responsibilities

Interns will participate in development training sessions, engaging in activities that build their expertise and familiarity with professional environments. They will be involved in projects and tasks that are pertinent to their respective fields of study, contributing to the operations of the Department and gaining firsthand experience in public sector work.

Qualifications

Applicants must hold a degree or diploma in one of the following fields: Industrial Psychology, BA Psychology, Social Science, Public Administration, Public Management, Office and Technology Management, Auditing, B.Com Accounting, Financial Management (with Auditing at least in the second year), ICT, Computer Sciences, Human Resource Management, Human Resource Development, Logistics Management, Transport Management, Sports Management, Financial Information Systems, Urban and Regional/Spatial Planning, Quantity Surveying, Architecture, Real Estate, Property Management, Geography, IT, Paralegal, LLB, Labour Law, Labour Relations, HR Management with Labour Law in at least the third year, IT Risk Management, IT Auditing, Graphic Design, BCom Internal Auditing, BTech Cost and Management Accounting, BTech Internal Auditing, or BTech Financial Information Systems.

Job Benefits

Participants will gain invaluable insights and practical experience in their fields of study, enhancing their employability. The program provides a structured environment for skill development and professional growth, facilitating the transition from academic study to the workforce.

How To Apply?

Interested graduates should prepare an application package that includes their CV, academic records, and relevant qualification certificates. Specific application instructions and submission details will be provided in the official advertisement. It is crucial for applicants to ensure their documentation is complete and submitted by the designated deadline to be considered for the internship.
