## Industrial Development Corporation IDC Internship Programme 2024 / 2025 Apply Online

### Description

The Industrial Development Corporation (IDC) is offering an Internship Programme for the years 2024 to 2025. This program is based in Sandton, South Africa, with a closing application date of August 29, 2024. The internships provide a unique opportunity for graduates to gain invaluable workplace experience, guided by a meticulously designed training program.

### Program Overview

The IDC Internship Programme is an 18-month fixed-term contract aimed at equipping interns with essential skills through a combination of practical work experience and accredited learning. This program has been carefully tailored to help interns explore various career paths, network with professionals, and earn a stipend. Interns will be integrated into the IDC through a customized onboarding program that includes a series of accredited learning modules. These modules are designed to anchor interns during their 18-month tenure, exposing them to the latest curated online content that aligns with IDC's core competencies.

### Responsibilities

Interns will be placed in various departments within the IDC, both at the Head Office and regional branches. Their responsibilities will include gaining practical work experience, engaging in professional networking, and participating in structured training programs.

### Qualifications

To be eligible for the IDC Internship Programme, applicants must meet the following criteria:

- Must be South African citizens.
- Must be under 35 years of age.
- Must possess effective English writing and verbal communication skills.
- Must not be enrolled in any other educational institution.
- Must not be currently registered or have previously participated in any Learnership or Internship Programme.
