Lactalis SA Internship 2024/2025 Graduate Programme

Description

Lactalis South Africa is pleased to announce a Graduate Internship Programme for the 2024/2025 cycle, aimed at providing recent graduates with substantial work experience across various disciplines within the country's leading dairy company. This program is meticulously designed to enhance the practical knowledge of participants, supported by dedicated mentors throughout the duration.

The 12-month internship program offers valuable work experience in a range of fields, enabling participants to apply their academic knowledge in real-world scenarios within a leading dairy company. The program emphasizes personal and professional development, supported by expert leaders committed to guiding interns as they navigate the complexities of the dairy industry.

Responsibilities

Interns will engage in a series of responsibilities specific to their field of study, acquiring hands-on experience and contributing to meaningful projects. The specific responsibilities will be determined by the discipline, ensuring alignment with academic backgrounds and career aspirations.

Qualifications

The program is specifically tailored for recent graduates from an array of disciplines, including but not limited to Human Resources, Supply Chain/Logistics, Procurement, Sales, Marketing, Communication, IT, Quality/Research and Development, Industrial, Finance/Management Control, Legal, Safety, Health and Environment, and Engineering.

Job Benefits

This internship offers an invaluable opportunity to gain professional expertise in a leading industry. Participants will receive mentorship and guidance from seasoned professionals, preparing them for future career opportunities. The program is conducted across multiple locations, including Johannesburg, Cape Town, Durban, and Gqeberha, providing a diverse working environment.

How To Apply?

Prospective candidates are invited to submit their applications following the guidelines provided by Lactalis South Africa. This program is ideal for ambitious graduates seeking to enrich their practical experience and gain insights into the operations of a leading dairy company.
