MA Automotive Tool And Die Finance Internship 2024/2025

Description

The Finance Internship at MA Automotive Tool & Die (Pty) Ltd, located in the Rosslyn Head Office, offers a unique opportunity to gain hands-on experience in the production of vehicle body components and systems, as well as tools for the sheet metal processing industry. This organization primarily serves the automotive sector within South Africa, with products also distributed to the United States and right-steering driving markets in Asia, renowned for their quality and performance.

This internship spans 12 months, providing an in-depth exposure to financial management practices within the automotive manufacturing industry. It is tailored for individuals eager to develop their technical and financial acumen in a dynamic work environment.

Responsibilities

Interns will engage in a variety of tasks that contribute to the financial operations of the company, under the guidance of experienced professionals. Participants are expected to demonstrate a proactive approach to learning and contribute constructively to team efforts.

Qualifications

- Completion of a BCom in Financial Management.
- Demonstrated proficiency in English.
- Strong interpersonal skills and a robust work ethic.
- No prior participation in an internship program.
- No previous work experience in the field.
- Age requirement: under 34 years old.
- Technical inclination is highly desirable.

Job Benefits

Interns will gain valuable experience in the financial aspects of automotive manufacturing, enhancing their professional portfolio. This program provides opportunities to develop a comprehensive understanding of financial processes in a real-world setting, fostering career growth in the finance sector.

How to Apply?

Prospective applicants are invited to submit their applications, ensuring they meet the specified qualifications. Detailed guidance on the application process will be provided by the company to facilitate the submission of necessary documents.
