Motus Aftermarket Parts Learnership 2024/2025 For level 5 National Certificate in Wholesale & Retail Operations

Description

The Learnership: Level 5 National Certificate in Wholesale & Retail Operations offered by Motus Aftermarket Parts is designed for unemployed youth interested in the automotive parts industry. This 12-month program provides participants with both theoretical knowledge and practical experience, positioning them within our Gauteng branches located in Pretoria. Upon successful completion, learners will earn a National Certificate in Wholesale & Retail Operations.

Motus Aftermarket Parts invites applications from passionate individuals keen on pursuing a career in the automotive parts sector. This learnership is a unique opportunity to develop skills within our operations department, offering comprehensive exposure to various functional areas.

Responsibilities

- Engage in warehouse operations, including picking, binning, and packing.
- Participate in sales activities.
- Support administrative functions.
- Gain experience in retail operations.

Qualifications

- Possession of a diploma qualification.
- Must be currently unemployed.
- Candidates should be between 18 to 25 years of age.
- No prior work experience is required.
- A clear criminal record is essential.
- Submission of a certified copy of ID is required.

Applicants should demonstrate adaptability, excellent communication skills, effective time management, and problem-solving abilities.

Job Benefits

Participants in the learnership will acquire valuable industry-specific skills and experience, enhancing their employability in the wholesale and retail sector. The program provides a structured learning environment that fosters personal and professional growth.

How To Apply?

To be considered for this learnership, applicants must submit the following documents:

- An updated CV.
- A clear, certified copy of your ID (not older than three months).
- A clear, certified copy of your Matric certificate (not older than three months).
