Nexio Graduate Internship Programme 2026/2027 For Management Accountant

Description

Nexio is offering an internship opportunity for the position of Graduate Management Accountant. The primary objective of this role is to assist the Management Accountant in effectively managing the month-end process, conducting variance analysis, and preparing monthly Business Unit packs, performance reports, and group reporting to Vodacom. The intern will also support the financial planning function by providing insights for budgeting and forecasting through collaboration with Functional Unit Heads.

This internship program is designed for individuals seeking practical experience in finance and accounting within a dynamic work environment. Interns will gain valuable exposure to financial processes and enhance their professional skills while working closely with experienced professionals in the field.

Responsibilities

- Compile and manage the yearly budget process, including the Long Range Plan (LRP) and Short Range Plan (SRP), while collaborating with input from all Business Units.
- Develop an operating expense dashboard for cost monitoring.
- Prepare budget packs for Vodacom.
- Assist in the implementation of a new ERP system.
- Manage ad-hoc tasks as requested by the CFO's office.
- Assist in preparing and analyzing monthly financial performance reports and metrics.
- Prepare detailed weekly forecasts by analyzing sources of information and interacting with commercial, sales, billing, and project management teams.
- Prepare monthly Business Performance packs and presentations for all Functional Unit Heads (BU, Regions, Contracts, Projects & Cost Centres).
- Analyze and interrogate sales data for accurate reporting, engaging with commercial and sales teams.

Qualifications

An undergraduate or postgraduate degree in any of the following fields:

- Finance
- Accounting
- CIMA learner
- Management Accounting

Job Benefits

Interns will benefit from hands-on experience in a finance role within the ICT sector, enhance their analytical and problem-solving skills, and develop a deeper understanding of financial processes and reporting.

How To Apply?
