South African Canegrowers Association Internship Programme 2024/2025 For Junior Farm Manager

Description

South African Canegrowers is facilitating the recruitment of ten young South Africans to participate in a Youth Internship Program across various sugar cane farms located in Pietermaritzburg. Successful candidates will assume the role of Junior Farm Manager and will be provided accommodation on the farm.

Responsibilities

As a Junior Farm Manager intern, participants will engage in practical farm management activities, contributing to the overall efficiency and productivity of the sugar cane farming operations. Interns will have the opportunity to apply their academic knowledge in a real-world setting, fostering professional growth and development in the agricultural sector.

Qualifications

Candidates must possess a Diploma or Bachelor of Technology qualification in a science-related field or a Bachelor of Science in Agricultural Economics, Plant Science, or Production.

Skills and Competencies:

- Demonstrated leadership abilities at the high school or tertiary level.
- Highly motivated individuals with a genuine passion for agriculture.

Job Benefits

This internship program offers participants valuable hands-on experience in farm management, professional development opportunities, and the chance to contribute to sustainable agricultural practices.

How To Apply?

Interested applicants are encouraged to submit their applications, including a CV and a cover letter outlining their qualifications and interest in the internship program.
