SAMPRA Internship 2026/2027 For Administration

Description

The South African Music Performance Rights Association (SAMPRA) Development Fund is pleased to announce internship opportunities for 2024/2025. These internships are designed for graduates seeking to enhance their skills and gain practical experience in their respective fields. Successful candidates will be placed at Sony Music Publishing Africa's satellite office located in Rosebank. All applicants must possess a relevant qualification from an accredited institution.

The SAMPRA internship program is a 12-month initiative aimed at fostering professional development in the music industry. Interns will have the opportunity to immerse themselves in the operations of a leading music publishing company, gaining invaluable insights and hands-on experience. The program also provides a monthly stipend of R6,500.00 to support the financial needs of interns during their placement.

Responsibilities

Interns in this program will:

- Assist with various administrative functions within Sony Music Publishing Africa.
- Contribute to projects that enhance operational efficiency and support the overall mission of the organization.
- Collaborate with team members to facilitate communication and coordination across departments.

Qualifications

A completed qualification in one of the following fields:

- Administration
- Commerce
- Related disciplines
- A commitment to work full-time for the duration of the internship.

Skills and Competencies:

Ideal candidates should demonstrate:

- Proximity to Rosebank or the ability to commute easily.
- A passion for music and a positive, energetic attitude.
- Excellent written and verbal communication skills.
- Proficiency in Microsoft Excel, Word, Outlook, and PowerPoint.

Job Benefits

Participants in the SAMPRA internship program will benefit from:

- Practical experience within a leading music publishing organization.
- A monthly stipend to support living expenses during the internship.
- Opportunities for professional development and skill enhancement.
