Shoprite Graduate Internship Programme 2026/2027 For Meat Processing And Supply Chain

Description

The Shoprite Group of Companies is offering a Meat Processing & Supply Chain Graduate Programme intended to recruit graduates with qualifications in Logistics, Agriculture, Supply Chain, or related fields. This program aims to integrate graduates into Africa's leading fast-moving consumer goods retailer, providing opportunities in butcheries, meat processing plants, and associated activities.

The programme offer comprehensive exposure and experience. It is designed to develop expertise within the Meat Markets and Meat Processing Plant sectors, as well as across diverse business units within the company.

Responsibilities

Participants in the program will be expected to gain practical experience and knowledge in:

- Various operational areas within the Meat Markets and Meat Processing Plant.
- Engaging with different business units to understand the supply chain and logistics processes.

Qualifications

Eligible candidates must possess a Bachelor's degree in one of the following fields:

- Logistics
- Quantitative Management
- Agriculture
- Industrial Engineering
- Food Technology
- Operational Research or a related qualification

Skills:

- Computer literacy
- Microsoft Office Suite
- SAP system

Job Benefits

The programme offers the unique opportunity to work with a leading retailer, enhancing professional skills and gaining valuable industry experience. While previous work experience is advantageous, it is not a prerequisite.

How to Apply?

Graduates who meet the qualifications and are interested in participating in this programme should follow the application procedures set by the Shoprite Group of Companies, as detailed in their official recruitment communications.
