Solid Systems Internship 2026/2027 Graduate Programme

Description

Solid Systems is committed to assisting businesses globally to confidently embrace the future through the provision of world-class IT services delivered with a human touch. Our passion for technology and its evolution drives us to continuously enhance the tools and methodologies we employ. Our diverse array of services, available across South Africa and the UK, includes Fully Managed IT Services, Cybersecurity Protection, Microsoft 365 Productivity Solutions, and Microsoft Azure Cloud Services.

At Solid Systems, we differentiate ourselves from other IT companies by empowering businesses to adopt technologies that enhance productivity, and efficiency, and facilitate seamless team collaboration. We are excited to offer graduate interns the opportunity to gain invaluable experience in dynamic fields such as Finance, Human Resources, Sales and Marketing, Operations, Information Technology, and Project Management within the Managed Services environment.

Responsibilities

- Assist in everyday operational tasks within designated departments.
- Support process improvement initiatives.
- Contribute to and support the technical support department.
- Collaborate with various teams to ensure operational efficiency.
- Acquire hands-on experience with tools and systems.

Qualifications

- Recent graduates with a degree in Finance, Human Resources, Marketing, Operations, Project Management, or a related field.
- Demonstrated strong analytical and problem-solving skills.
- Excellent communication and interpersonal abilities.
- Capability to work collaboratively within a team setting.
- A keen eagerness to learn and engage in diverse projects.
- Proficiency in the Microsoft Office suite.

Job Benefits

Graduate interns at Solid Systems will have the opportunity to develop their professional and technical skills under the guidance of experienced professionals. Interns will also be part of a vibrant and diverse team culture and will receive a stipend while they learn.

How To Apply?

To apply for the Solid Systems Internship 2026/2027 applicants must submit the following:
