Vodacom Internship 2024/2025 Graduate Programme

Description

The Vodacom Graduate Internship Programme 2024 offers a structured 12-month fixed-term contract designed to enhance workplace experience. This internship integrates a meticulously crafted training program that allows participants to accrue valuable work experience, explore various career pathways, build professional networks, and earn an income.

This programme serves as a conduit to Vodacom's Discover Graduate Programme or potential permanent employment opportunities as they arise. The programme targets individuals who have completed their undergraduate degree or degree equivalent by the end of 2024, providing them with an opportunity to develop essential skills in a dynamic digital technology environment.

Responsibilities

Participants in the Vodacom Internship Programme will engage in activities that:

- Facilitate the development of a skilled talent pipeline for Vodacom's core business areas.
- Offer unemployed graduates with the requisite qualifications an opportunity to cultivate competencies within the digital technology sector.

Qualifications

To qualify for this internship, applicants must:

- Be South African citizens by birth.
- Be 26 years old or younger.
- Possess a degree (BCom, BSc, or B-Tech) in any field, with the degree being at NQF level 7 or higher.

Note: NQF level 6 (National Diploma) qualifications will be considered only in the fields of Electrical/Electronic Engineering, Computer Software Engineering, and Information Systems/Information Technology.

Skills and Competencies

The programme seeks candidates demonstrating:

- Effective time management abilities.
- Strong interpersonal and communication skills.
- A passion for learning and innovation.
- Flexibility and resilience.
- Digital savvy and customer-centric thinking.
- Proficient problem-solving skills.
